It is a very difficult matter to decide whether the beans, corn or weeds are growing the faster. We believe the beans and corn will be the winners.

On account of the rain Saturday the attendance at the Literary was rather small and it was decided to discontinue same until after the busy season.

## Estancia

Mrs. Mason has gone to Albuquerque to take treatment in a sanatorium.

County Treasurer Juan C. Sanchez was over from Mountainair the first of the week looking after business matters.

E. A. Mattingly was over from Lucy Monday. He reports everything flourishing in that vicinity. He says there is lots of grass, but no cattle to eat it. Perhaps the cattle will come before the grass goes.

Paul Dean commenced making hay the first of the week on his ranch about twenty miles east of Estancia. He says the grass is good, although containing many weeds. He is going to beat that feed bill the coming winter.

Many people from Estancia and vicinity went to Mountainair on the 4th, but many more were deterred from going by the bad roads and the threatening weather. It is reported that our neighboring town had a very good celebration, although it was considerably dampened by rainfall.

P. T. Davis, who lives about twenty miles east of Estancia, was in town last Saturday. He says he has very good crop prospects, both his corn and beans looking well. Mr. Davis mentions a curious circumstance, wherein he was penalized for being industrious—something that does not often happen. At the time of a sandstorm in the east part of the county about a month ago, mentioned by several News-Herald correspondents at the time, that part of his crop which he had cultivated and cleared of weeds was killed by the sand, while that which contained weeds was protected by them. It is this part of his crop which he afterwards cleared of weeds and which is now flourishing.

## East Mesa

Claud Bennett visited his parents Sunday.

Mrs. Ed Phillips visited at the McCulloh home Sunday.

Killing weeds is the order of the day on the Mesa.

Miss Davis Smithe spent Sunday with Miss Mary Harkey.

F. M. Hopkins left Monday for the northern part of our State.

Mr. Taul was a business shopper in Xray last Thursday.

Some of our people attended church services at Liberty Sunday.

Hubert McCulloh attended church services at Gran Quivira last Sunday.

Private Thomas Egger and sister, Miss Thesia, visited at the Daugherty home south of Xray last Sunday.

We had several good showers last week which were highly appreciated, as we were needing the rain everyone is wearing a smile a mile long.

Mrs. Hibden's mother, Mrs. L. Tomlinson, spent a few days at the Hopkins home last week. She has been almost sick but is better at this writing.

Quite a few of East Mesa folks went to Gran Quivira to help celebrate the Fourth, and our community was also well represented at Mountainair.

Mr. and Mrs. Sam Hibden, and Mrs. Hibden's brother Adie Tomlinson, were visitors at the Fain home Sunday. Games were played and lemonade enjoyed by the thirsty crowd.

Mr. and Mrs. Parker, and Hubert and Clyde McCulloh were visitors at the Thomas home Sunday afternoon. Croquet and other games were played and an enjoyable time was had.

Round Top is getting to be a sociable center, with a big dinner at some home every Sunday, to which all have been invited. If you don't believe Round Top has some splendid gatherings, just come out some time.

Mrs. Walter Thomas' daughter, Mrs. Mashburn of Broncho, is visiting relatives at East Mesa. She has had a very severe spell of typhoid and is real weak but doing very well. All of her friends are glad to see her improved.

There will be singing at Mrs. Goldens next Sunday night July 13. Everybody is invited to attend and bring some one with you. We have some real nice singings on the Mesa and would be glad to see everybody in the community come out.

The singing at Walter Thomas Sunday night was well attended. There being a large crowd out to enjoy themselves lifting their voices in glad praises to the Lord. Let us all remember to be at Mrs. Goldens Sunday night. I urge everyone to come.

John Steward was up from Gran Quivira. He and his daughter, Miss Ora, have spent the last few weeks with the son and brother, Lawrence Stewart. Mr. Stewart has a crop at Gran Quivira and also on his claim here—or rather should say his home, as he made final proof this spring.

I. C. U. R. Right.

## Pleasant View

We are having plenty of rain and crops are doing fine.

L. A. Williams claims to have another bean-raiser, but we think he will have him to raise first.

J. M. and N. L. Ward were guests of W. W. Manning last Saturday. Mr. Ward says crops in his community are fine.

Attendance at Sunday School was not as good as usual last Sunday. Mrs. G. W. Brunner was on the sick list and several other families were absent. Rev. Mr. Campbell preached a fine sermon, the real Gospel. Regular preaching dates are the second and fourth Sundays of each month.

President Wilson got in bad with a host of voters when he advocated letting down the prohibition bars. And his veto of the repeal of the "Fool Time" Bill will not make him any friends among the farmers of the nation. The farmers may not wield as much influence in congressional halls as some other folks, but they represent a wonderful power at the polls. If Wilson keeps up his foolish notions, just any old candidate will be able to defeat him next year.

The beautiful young matron at a ball was dancing for the third time with a smart officer, and she said to him: "Do you know, captain, I can't get it out of my head that we have met before." "I don't doubt it in the least," answered the officer courteously; "I was your milkman three years ago."

—The ones above illustrated are just \$1.50, but in fact they are WORTH MORE, worth much more when compared with prevailing Waist standards.

—We say "appropriate for Summertime Wear" and we mean just that for not only did they just arrive, but it was only a few days ago that the Styles were developed.

—There are many advantages in buying Blouses here ALWAYS and not the least of these is the fact that because of our closer co-operation with the makers the NEW styles always reach us but a very brief time after they have left the designer's studio.

—Another decided advantage that we want you to remember is that you pay the identical price here for your Blouses that you would pay in the largest centers of population.

We are the exclusive distributors in this city of the celebrated Wirthmeyer Waists, recognized as a standard throughout the nation and sold everywhere at the same low uniform price.
